I was in ISO 10 when a state inmate entered into my cell. Where I was alone; a DOC Forrest County Inmate, That was a State Inmate (trustee wearing green and white) Entered into my Isolation cell; & proceeded to do bodily harm to me. By my due process and my rights where violated and I was jumped by this DOC Inmate (trustee) That was a State Inmate and did do harm to me. The Forrest County Jailor who badge # J- 22 let the lone occupant AKA. (Gurley) enter my cell and so allowed me to be harmed. By Laws in the State of M.S. this should have been and/or should be grounds for a civil and/or Federal suit, With dismissal of pending case.
